

**Short Railway May Be Extended.**  
ELKIN, N. C. June 21.—The Elkin and Alleghany Railway property, consisting of the iron rails, depot buildings, rolling stock, etc., will be sold here next week by order of court. The line now runs from here to Vener, a distance of sixteen miles. For a long time an extension of the line to the south has been contemplated, and there is hope that such extension will quickly follow the sale of the property as it now stands and the organization of a new company.

**Railroad to Catawba Furnace.**  
ROANOKE, VA. June 21.—The Cloverdale and Catawba Furnace Railroad Company, of which E. E. Francey, late of Canada, is president, proposes to build a line ten or twelve miles long from Cloverdale station to the old Catawba Furnace, which is to be repaired, practically rebuilt, and again blown in. The company was recently organized and chartered here.

**Virginia Military Institute Mess Hall.**  
LEXINGTON, VA. June 21.—Richmond architects have completed the plans and the contract has been let for the erection of the \$25,000 mess hall for the Virginia Military Institute. The work will be pushed to completion as rapidly as possible, and the new hall may be ready for use by the opening of the fall term.
